

To All Jaguar Club Members,

Many of the surrounding Jag clubs have Rally's besides monthly events and Concours d' Elegance shows. Organizing a Rally event takes a lot of work and volunteers. Club member Richard Mooers, a Rally Master, organizes such a rally in the Porsche Club which is much larger than our club and has the volunteer base to put on such an event has invited our club to the event.

We are adding the Snow Flake Road Rally to our events list and I encourage everyone to come out and be competitive. Or if you prefer a Touring class is available for a low competitive tour. Date: Sunday, January 31st, 2016. Registration starts at 9am, first car out 10:01am. Be sure to come a little early if you'll be having breakfast at the diner. Awards will be given out at the end of the rally.

If you've never done a rally, here is some advice.

- You will need a passenger to be your navigator.
- It's not a race and you will not be driving above the speed limits, don't have to worry about getting any speeding tickets.
- It's a rain or shine event.
- Bring your Jag or you may bring any of your other cars.

Be sure to read Richards invitation below and please open the attachment for the Rally Flyer and pre-register.

Safe Motoring and see you at the Rally!

George Stephani  
President  
Jaguar Drivers Club of Long Island

## **Snowflake 60<sup>th</sup> Anniversary Road Rally**

The Metro New York Porsche Club invites all Car Clubs to join us on January 31<sup>st</sup>, 2016 to celebrate the 60<sup>th</sup> anniversary of the Snowflake Road Rally. Yes, this is the 60<sup>th</sup> year that teams have participated in the premier Rally of Metro PCA. Indeed, this is the oldest continuously run event in all of PCA!

The Snowflake has always been a TSD (time speed distance) rally. What this means is that along the predetermined route you will be given speeds to maintain. At a specific place in each section you are timed as you pass check point teams. We know what time you are supposed to pass the check point. Your score is determined by how close you are to that time.

I have included a Touring class for those who want a low pressure tour. You may try to travel at the suggested speeds, it can be more fun than just driving the course (but that is OK too). The Snowflake has always been advertised as "The Driver's Rally". It can be challenging at times, if you want it to be.

This is the only Metro PCA event scheduled for January or February, so consider being part of the 60<sup>th</sup> anniversary fun. We are planning many special awards and regalia in honor of the event. Bring your Porsche or any other vehicle. We will finish in the early afternoon at the Southampton Publik House for food, refreshment, fellowship and awards. I hope to see you on January 31<sup>st</sup>.

Please contact me at [mgzabc@verizon.net](mailto:mgzabc@verizon.net) if you have any questions

Rich Mooers,  
Rally Master
