About Northeast Packard Sales (NEP)

Northeast Packard Classic Cars has been involved in the Antique Hobby since 1965. During this time we have been collecting, restoring and selling collectible cars worldwide. Our facility is located on Route 112, in Patchogue, Long Island, Although we have specialized in Packards, Cadillacs, and Buicks, we have expanded our sales and service to all marques from 1900-1976. NEP Classic Cars services what we sell and are proud to have completely restored over FOUR national first place winners.

Our service dept. offers custom auto service to many local collectors. Our new addition Wood Shop has helped restore a Greenwich Concours d' Elegance winner with a 1941 Packard Woody. We can also arrange cross country or worldwide shipping. Above all, NEP Classic Cars is dedicated to the preservation and restoration of the automobile and the history of these classics.

Owner Richard Bonati will give a personal tour of his facility in what it takes to restore a car to Concours quality.

Helpful Directions

The shop is a little tricky to find on Route 112.

His driveway entrance is on the east side of Route 112.

There's a large store front sign at the entrance to his driveway with the business address 605 on top.

Turn into this driveway and proceed all the way to the back where the shops are.
