

2017 Annual Spring Dust Off

Sunday, April 23, 2017 (Rain Date 30th)

At the American Air Power Museum

1230 New Hwy, Farmingdale, NY 11735

We have exciting news for this years Spring Dust Off. As always we are looking for new ideas to have a variety with our events.

This years Spring Dust Off (April 23rd, 2017 & rain date on the 30th) will take place at the American Airpower museum. We'll display our Jaguars on the tarmac with the museum's vintage planes, be given a guided tour by one of the museum's docent and everyone will receive a photo of their car staged by one of the planes. Afterwards, at 2:30pm we'll depart for a Spring Drive along some scenic roads to Harbor Mist Restaurant in Cold Spring Harbor for lunch. The restaurant will have a reserved parking lot for the club's cars. Driving directions will be given out at the event.

We are not able to reserve a rain date for the restaurant. If it rains, we will only have a lunch event on the 23rd at 3:30pm at the Harbor Mist Restaurant, but will have the museum and driving event on the 30th. The club will provide a light lunch at the museum on the rain date.

We ask everyone to arrive before 11am at the museum at the designated staging area, this location will be announced at a later date for all attending the event. The museum will then escort all the cars as a group onto the museum tarmac. This is done because it's an active airport and same will be done when it's time for us to leave as a group.

The Club's Treasury is subsidizing the cost of the museum, photo of your car and partially for lunch and is open to Club members and their family.

Please RSVP to George Stephani at geolee@optonline.net or call 516-448-9691 and send in your reservation form and payment by Wednesday, April 19th, 2017.
